

ATHENS PROBABILITY COLLOQUIUM 2015

Saturday May 9, 2015

Dept of Mathematics, Univ of Athens

[Room AMΦ24, 2nd floor]

<http://pages.cs.aueb.gr/~yiannisk/APC3/>

A one-day event, centered around three top-quality talks by distinguished speakers in probability and its interface with other active areas of current research activity

All interested faculty, post-docs and students are welcome and are encouraged to attend

The talks are intended for a general (math/stat) audience and will be accessible to students without particular expertise in the specific areas of the topics discussed

11:10-12:10	Amir Dembo (Stanford University)	Statistical Mechanics on Sparse Random Graphs: Mathematical Perspective
12:10-13:00	coffee break	coffee break
13:00-14:00	Alexandros Beskos (UCL)	Sequential Monte Carlo methods: some Developments & Applications
14:00-15:30	Lunch	lunch
15:30-16:30	Agelos Georgakopoulos (University of Warwick)	Group Walk Random Graphs

There is NO registration fee; everyone interested is welcome to participate; for planning purposes, **please let us know that you plan to attend by sending an email** to athensproc@gmail.com

Organizing committee *Dimitris Cheliotis Ioannis Kontoyiannis Michalis Loulakis*
